Pursuant to 37 C.F.R. 1.109 and M.P.E.P 1302.14, the following is an Examiner's Statement of Reasons for Allowance:

The prior arts of record do not teach an electronic calendar-driven method for dynamically generating an automated response to attempts to contact an electronic calendar owner, the method comprising the step of: determining whether the user's electronic calendar indicates that he is currently available for checking his email or available for IM , and if not, generating an automated response informing a sender of the email message or the IM of the user's current status using a currently-active context event for the user and, for particular context events, any currently-active specific event for the user, wherein a level of detail provided in the automated response varies, based on an identification of a sender of the incoming electronic mail message or IM.

The examiner considers the applicants' claims 41-48, 50-57 and 59-61 to be allowable based on the claim interpretation and the aforesaid prior arts of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

The references are cited in the Form PTO-892 for the applicant's review.

A shortened statutory period for response to this action is set to expire 3 (three) months and 0 (zero) days from the mail date of this letter. Failure to respond within the period for response will result in **ABANDONMENT** of the application (see 35 U.S.C 133, M.P.E.P 710.02, 710.02(b)).
